News Release

C&D appoints Bob Hedges as Cisco Account Manager

Bob Hedges has been appointed to the key position of Cisco Account Manager for C&D Technologies. He originally joined C&D in January 2006 as Northwest Regional Sales Manager.

Educated at The University of Santa Clara and The University of the Pacific, he has over 20 years Sales and Marketing Management experience in the power industry, with companies such as Martek, Zantrex Technologies, Electronic Measurement, Computer Products (Artesyn), and AC/DC Electronics.

Tony M. Abrantes, Vice President of Sales, commented: “Bob’s wealth of experience and knowledge of the power industry, plus his location close to Cisco’s main facility, will enable us to enhance the already excellent levels of service and support we provide to this key account.”

About C&D Technologies

C&D Technologies, Inc. is a technology company that produces and markets systems for the conversion and storage of electrical power, including telecom/industrial batteries, rectifiers and electronics. Corporate headquarters are in Blue Bell, Pennsylvania, USA and the company is traded on the NYSE under the symbol 'CHP'.

The Power Electronics Division of C&D Technologies, Inc. (www.cd4power.com) is headquartered in Mansfield, Massachusetts, USA. The division designs, manufactures and distributes DC/DC converters, AC/DC power supplies, magnetics, data acquisition devices and panel meters, and offers these products in custom, standard and modified-standard variations. These products, which are built to exacting requirements in ISO9000:2000-approved facilities, are typically used worldwide within telecommunications, computing, industrial and other high-tech applications.
